Our last trip to the Park City area in 2015!

Whistler, BC — February 23-March 2, 2019

We're going international!!! Ok, so it's not "across the pond" but it is our friendly neighbors to the north.

This trip is SOLD OUT though you may contact the trip leader to be put on the waiting list.

This week-long trip to Whistler, British Columbia, Canada leaves Nashville on February 23rd. Make sure those passports are up to date and [start your trail map musings](#) any day now, as Whistler is a ton of mountain to cover.

Whistler and Blackcomb are combined by the Peak 2 Peak Gondola joining up to make over 8,000 acres of skiable terrain. This is touted to be the largest skiable area in North America, and we're going to make it ours for a full week. The Peak 2 Peak Gondola connects the two areas and holds two world records: one for the longest free span between ropeway towers and another for the highest point from the ground. The latter isn't so much fun for those with a fear of heights. But we chose this sport, right?!!

Dates: February 23 - March 2, 2019 Saturday to Saturday

Lodging: Our stay will be at the Delta Whistler Village Inn and Suites, a Marriott property. We'll have 2 BR/2 BA condos...with robes and slippers! It's located in the Village, just steps from Olympic Plaza and a couple minute walk from the lifts!
