Due to the COVID-19 lockdown we're canceling our April membership meeting since we're not all able to gather together. Since this was supposed to be our election meeting, we'll be making arrangements to take your votes online for club officers and board members. We'll send out an email to all members from within our website. The election poll will only be available to those logged into the website so be sure you know your password or get it reset before election day. We'll keep you posted on when to vote.

### Steamboat Trip Report

By Sara Tamas Shamblin

A group of 25 skiers went to Steamboat Springs Colorado from February 29 through March 7 and enjoyed wonderful conditions. The group flew into Hayden and took a short bus ride to Torian Plum Condominiums at the base of the mountain. These condos are a favorite of the club; we've stayed there often. We could walk out our door, across the plaza and put on our skis and hit the slopes! While we didn't get a lot of fresh snow during our week, we did have some beautiful bluebird days with pleasant temperatures. Some of us even found stash's of the famed Champagne Powder®! Steamboat has "something for everyone" with so many trails for skiers of various abilities. Most people split into groups and had a great time skiing together, others enjoyed the solitude of skiing alone. No one got injured or broke any bones, so from that standpoint the trip was a huge success!

The group enjoyed several group dinners at local restaurants. The Western BBQ at the top of the mountain was the destination for our second night in Steamboat. We took the gondola to the top of the mountain feasted on a huge buffet and enjoyed a live band and dancing, it was a fun night! Another evening we enjoyed a dinner at a Steamboat favorite, Mambo Italiano, where we ordered off the menu and had some excellent fare. Our third group dinner was at Carl's Tavern, another restaurant that's a favorite with the locals. Carl's created a menu just for our group and we all had a wonderful time. Our final group meal was at Vaquero's Mexican restaurant where we not only had some excellent Mexican cuisine but celebrated the 50th birthday of Joe Moreau who has been a key member of our club for so many years and has just agreed to become our president (yet again!) for the upcoming year.

Many in the group took in activities other than skiing: a few of us went snowmobiling and enjoyed a few hours on the wooded trails and meadows near Rabbit Ears Pass, so much fun! Our guide pointed out various mountain ranges and sights along the way and we had opportunities to ride in the meadows as fast and as long as we wanted! A larger group went to Strawberry Park Hot Springs and soaked in the mineral waters. Pictures are on the website, this is a favorite excursion for so many in our club! Also, a few took rides on the Alpine Rollercoaster and enjoyed flying down the mountain!

On this trip we were joined by some members of other Crescent Ski Council clubs and met new friends and shared good times. Sound like fun? It was! If you missed out and we're sorry, but stay tuned for the great trips the club is planning for next winter!

## Upcoming Event Schedules

Unfortunately we had to cancel the Après Ski Party scheduled for March 28. We are hoping to have some other kind of event once it's safe for us all to gather again. As of late March it's still possible that we might have a May membership meeting but whether or not that happens will be determined at a later date. Stay tuned to the website and, if you're not subscribed already, join our Google Group for the latest news. For instructions on how to do that see the last page of this newsletter.
