

## VENICE EXTENSION

The Venice extension includes roundtrip air from Zurich to Venice, roundtrip water taxi transfer from the Venice Airport to the hotel, 3 nights at the Hotel Fenice de Arts or similar 3-star, daily breakfast, and local city tax for \$695. Price is based on double occupancy (two people per room). Limited single occupancy is available for \$950 per person. We will be flying home from Venice (not going back to Zurich).

We will arrive in Venice late in the afternoon and have two full days there before leaving on a morning flight. Breakfast is included with the room price. Lunch and dinners will be on our own. We have lined up a guide in Venice who can show us around, take us to both the touristy and non-touristy places, not included in the extension price. Of course you're also welcome to sightsee on your own!
