

Trip Insurance

Travel is a perishable product. We highly recommend that you purchase travel insurance to cover your investment. Travel insurance is available from various sources and you might have a company you prefer to purchase insurance from. This is one time to shop around and get the best rates and the best coverage!

Travel insurance is available through our trip vendor, Ski.com. They offer two types of travel insurance:

Standard insurance is 6.5% of your trip cost and covers if someone needs to cancel for medical reasons, emergencies, unforeseen events, things like that. This insurance can be taken until final payment and it doesn't cover pre-existing conditions. COVID-19 is no longer considered an unforeseen event so you cannot use that as the reason with standard insurance.

The other insurance is **Cancel for Any Reason**. This is 11.5% of your trip cost and must be taken out within 24 hours of the first deposit you make on the trip. If it's a standard reason you get 100% refund. If you "just don't want to go, or work related" you get 75% back. COVID-19 is not a covered reason for "cancel for any reason" so you will need another reason to cancel.

Insurance can be purchased directly from our agent at Ski.com, Dana Flach. Email her with your name, address, email address and trip cost. You can pay her directly with a credit card. For details on the insurance that Ski.com offers, visit <https://www.csatravelprotection.com/certpolicy.do?product=G-330SKI> Purchase must be done through the agent for this, not online. You can reach Dana at dana.flach@ski.com

Of course, you can use any travel insurance company that you choose, and the Nashville Ski Club does not endorse any particular company or receive any compensation for insurance that you purchase. The important thing is to GET TRIP INSURANCE for any trip you are taking!
