As this is an international trip we want to remind you of a few things in advance so you'll be able to concentrate on having a great time skiing:

1. **Passport** - ensure your passport expires at least 6 months after our trip returns. If your passport expires on or before August 12, 2022 please renew it now. If you have Global Entry ensure it is updated with your latest passport info and expires after February 12, 2022.
2. **COVID** - requirements are fluid but the process will be much easier if you are vaccinated. It is possible that you will not be allowed into Switzerland (or even on the plane) if you are not fully vaccinated. Please have your vaccination document with you when you travel. The club will not be responsible for ensuring each trip participant meets the requirements for entry.
3. **Trip Insurance** - we highly recommend trip insurance, especially for international trips
